THOMAS & FRIENDS: CGI PANTONE LIST

This is a documentation of the Pantones used for (almost) all the characters seen in the CGI series of Thomas & Friends. While some of these have been identified through official sources, others have yet to be identified.

All pantones shown will either be taken from the official orthographic sheets or rough estimates based on the ones shown from various sources. Any colors that have “?” next to them have not been confirmed, so take these with a grain of salt.

Steam Engines - Standard Gauge
